

Aukera Real Estate AG | Essen

Aukera Real Estate AG is an independent, owner-managed investment boutique based in Essen. Its range of services includes bespoke financing solutions for borrowers and the structuring of suitable investment products for institutional and professional investors. The investment focus is on senior real estate loans as well as mezzanine debt and project financing in continental Europe, with geographic emphasis on the DACH and BeNeLux regions. Many years of transaction experience and extensive expertise in commercial real estate debt financing and the structuring of real estate debt funds are the defining qualities of the five-person Aukera investment team.
